

GEYLANG METHODIST SCHOOL (PRIMARY) PARENT SUPPORT GROUP (PSG)

28th January 2025

Dear Parents / Guardians

NEWSLETTER – January 2025

PSG Year End Event - Back to School on @9th Nov 2024

The Year-End Event with a "Back to School" theme takes both kids and parents an amazing time. Spanning approximately two hours, everyone enjoyed fun school-themed activities, interactive games and also creating lasting memories for everyone.

The event wasn't just about having fun—it also gave families the chance to reconnect, unwind, and celebrate the year's accomplishments together in a light-hearted, familiar environment within the school compound. Whether it was reminiscing about their own school days or sharing laughter with the next generation, everyone left with a smile, making it the perfect way to wrap up the year for 2024 !

PSG – DFL P1 Welcome 2025 @11th Jan 2025

This year, we have formed a total of 5 teams for this event. P1 Welcome is an annual event that invites both parents and new P1 students to join the PSG family, offering an exciting opportunity to get acquainted with the school environment, meet classmates, and interact with teachers through fun and engaging activities. This event is designed to help students integrate smoothly into their new school environment and share their learning journey with their parents. It's a wonderful way to kickstart their time at GMS(P), wishing all new P1 students a joyful and rewarding experience in the years ahead.

Parent Volunteers for P1 Classes (3rd , 6th & 7th Jan 25)

Parent Volunteers provide valuable support by assisting the P1 students who may need help during lesson time and with transitioning to their new school environment. PVs offer a reassuring presence, helping students settle into their routines and navigate the changes they face in the classroom. Their involvement ensures that P1 students feel supported, confident, and more comfortable as they adapt to the new school life.

PV Gates Duty (6th - 17th Jan 2025)

To foster a positive and supportive environment for new P1 students, through feedbacks from P1 parents; PSG together with the school jointly provided additional PVs supports with gates duty during the first two weeks of school, helping students navigate their way to the classroom / hall with ease. These volunteers offered a warm and welcoming presence, providing guidance and support to ensure that new P1 students felt comfortable and confident as they began their school days during the initial weeks.

2025 Travelling Light Exhibit (20th – 23rd Jan 2025)

In collaboration with the Science Centre, the school has set up the *Travelling Light* exhibit to spark students' interest and curiosity in Science, Technology, Engineering, and Mathematics (STEM). The exhibit features a variety of interactive displays for students to explore, along with worksheets designed to encourage self-directed learning. This hands-on experience aims to inspire students to discover more about the fascinating world of light while developing critical thinking and problem-solving skills.

2025 Chinese Calligraphy Activities (24th & 27th Jan 2025)

In conjunction with Chinese Lunar New Year, the school is celebrating it with Chinese Calligraphy activities during recess. This event provides students with the opportunity to explore and practice the traditional art of calligraphy and enhance their creativity. This activity not only provides an artistic outlet but also encourages students to develop patience, focus, and attention to detail, as they carefully create their own calligraphy pieces. It's always heart-warming to see how much the kids enjoy the activities!

Save the Dates with Us:

The PSG Team has lined up various events coming your way for the months ahead:

- PSG PVs Reunion Bonding - @8th March 2025
- In Conversation with P4 on DSA - @29th March 2025
- Paper Quilling Workshop - @17th May 2025
- P6s Well Wishes @Apple Day - Aug 2025
- Snowskin Mooncake Workshop - @27th Sep 2025
